STAND TALL

Inspired by our passion for motocross styling, we decided to bring a little dirt to the road. Intentionally designed with a featherweight, ventilated body and aggressive tooth pattern for performance and grip, these pegs make sure your foot won't slide off the peg during aggressive riding. While we don't recommend riding in the dirt, we think it's the most fun you can have on two wheels with your pants on.

Direct Stock Replacement for HD Male Mount Pegs. Sold as a pair. Chrome Mounting Hardware Kit Sold Separately.

To order your own, just contact your local Drag Specialties dealer; or if you are ordering internationally visit rolandsands.com to find your closest dealer and check out the complete line up of RSD products.

RSD's Moto Pegs are available in Chrome or Contrast Cut™ for all HD Male Mount Pegs. MSRP \$119.95
